**B. Langkah-langkah pembelajaran**  
(Learning activities)

Meeting 1

10 minutes

- Checking students' readiness
- Eliciting students' knowledge of the new topic

15 minutes

**CHECK THIS OUT**

about Explanation Text

There will be time when you want to tell someone how or why something occurs. Your science teacher might ask you to tell how pollution affects the environment. Your little brother might ask you why some birds sleep along the winter. Talking or writing about how or why something happens is called Explanation. The purpose of an explanation text is to tell each step of the process (the how) and give reasons (the why)

- Presenting text 1  
How Water Recycled
- Reading
- Analysing the features of written explanation text
- Presenting text 2  
How Global Warming Takes Place
- Exercising

5 minutes

- Wrapping up

**C. Materi Pembelajaran**

(Materials)

- Module
- Work sheets

**D. Teaching Aids and Resources:**

1. Teaching Aids : Pictures
2. Sumber Belajar : Module

**E. Assessment**

- Project
- written test

**F. Retrospection :**
