LEMBAH PELANGI WATERFALL

Lembah Pelangi Waterfall sounds unfamiliar for either local or foreign tourists. Lembah Pelangi Waterfall is located in Sukamaju village, Ulu Belu sub district, Tanggamus district, Lampung province, Indonesia. The access to this place is quite difficult because Ulu Belu sub district is a remote area in Lampung with its hilly contours which make this tourist spot elusive.

Lembah Pelangi Waterfall has two levels where the waterfall on the second level has two branches. The height of the first level waterfall is about 100 meters, while the second level waterfall is about dozens of meters. The best enchantment of this waterfall is the rainbow which appears between the valley and the waterfall as the name suggests. The soft flowing gurgling waterfall sounds is like a chant of nature which can remove the tiredness of the long trip to go there. Under the waterfall, there are several spots of warm water which can be an interesting spot for bathing.

In this place, you will be shown a panorama of natural beauty which is very interesting for every pair of eyes seeing it. Rocky hills accompanied by leafy trees will actually soothe both your eyes.

Read the following text and answer the questions below.

One of the famous cities in Italy is Venice. It gets its popularity because Venice is a rich and interesting city. It has a lot of history documentations and offers a lot of attractive things to visitors.

Venice has been established over 2000 years ago when waves of barbarians drove people out of their homes in various Roman cities. Around years 800-1100 AD, Venice underwent a period of growth, and became more centralized. It gradually developed into a city state, which is essentially a self-governed region of a country that trades freely among others.

As Venice gradually developed, it became a prominent player in the sea trade of the time. It was set upon by many different threats. Pirates became the hugest problem. Fewer and fewer shipments were making it through the treacherous water. It happened when the Republic of Venice decided to move the operations to the eastern shores.

When we think of Venice, the first thing which comes to mind are canals. They are considered the trademark of the city. Canals are mostly recognizable for providing the main form of transportation throughout the city. Visiting Venice brings a rich aura of history and culture. Floating through the canals for an afternoon makes for a memorable experience, and it's one that any traveler commonly enjoys
