### THE LEGEND IS BACK

Do you know Rawa Pening, Baturaden, Jaka Tarub, Angling Dharma?

Good, they are all the famous legends in Central java. Can you mention the legend in Blora?

Great. There are many legends in Blora, For example Arya Penangsang, The legend of Cepu, The legend of Todanan, etc.

For your information that Legend is one kind of Narrative text.

Narrative text is a kind of text to retell the story using past tense.

The purpose of the text is to entertain or to amuse the readers or listeners about the story.

The example of narrative texts are: legend, film, drama, comic, novel, short story, myth, fable, etc.

Generic structure of narrative text: Orientation, Complication and Resolution.

Well students, please read the example of the following legend from Blora, the title is The Bloody battle of Arya Penangsang and Sutawijaya. Pay attention to the generic structures.

#### **First : Orientation.**

It set the scene and introduce the participants (it answers the question: who, when, what, and where)

#### **The Bloody Battle of Arya Penangsang and Sutawijaya**

##### ORIENTATION

This legend tells the battle of Arya Jipang and Sutawijaya, who succeeded in conquering Demak. However, Sultan Hadiwijaya felt insecure because there was still an heir of Demak, he was Arya Jipang/Arya Penangsang. Arya Jipang was the grandson of Sultan Trenggono. So Sultan Hadiwijaya planned to kill Arya Jipang. Therefore, Sultan Hadiwijaya made a competition to kill Arya Jipang.

“If one of those mans who can kill Arya Jipang, I will give them the earth of Pati and the earth of Mataram.”

The competition was spread around Pajang. A lot of people in Pajang signing for the competition, people outside Pajang also join the competition. There was a lot of people during the competition, but only few of them were eligible to take part in the competition. Finally Sultan Hadiwijaya found the right men to run his murder plan. They were, Ki Ageng Pemanahan, Ki Panjawi and his adopted son Sutawijaya. The three of them knew that Arya Jipang was really powerful, so they asked Ki Juru Martani for advice. Ki Juru Martani said that Arya Jipang usually fasting for 40 days. During fasting Arya Jipang must control his emotions and not be

angry. They knew that Arya Jipang was undergoing the fasting. So they made a cunning plan to murder Arya Jipang.

**Second : Complication** tells the problems of the story and how the main characters solve them. This part includes situations, activities, or events that lead problem/complication to the climax. It shows when the crisis arise.

## COMPLICATION

Their plan began when they cut the ears of Arya Jipang's servant and being affixed with a letter. And this letter contained challenge directed to Arya Jipang from Sultan Hadiwijaya. Arya received the letter, and he was really angry.

“This is an insult! I can’t take it! I have to accept the challenge!”

“Please Kanjeng, be patient. Remember Sunan Kudus’s message. You need to hold on your anger for 40 days, and it’s only one day left.” Said Patih Metaun

“That’s right my son. Don’t let anger control you. You have to think logically.”

But he just fullled with anger, that he ignored all the advice from those who loved him. Arya Jipang set out, rode Gagak Rimang, and went to Bengawan Solo. And the three were already on the other side of Bengawan Solo.

“Ho, Sultan Hadiwijaya! Will you come out or not? You’re just a coward! Come out!”

Both of them did not dare to cross the Bengawan Solo, because Sunan Kudus said whoever crosses the Bengawan Solo they’ll lose. Arya Jipang shouted few times, but they didn’t come out. Finally, they sent Sutawijaya to face him. Sutawijaya was told to ride a horse whose tail had been cut off so her vitals had been shown. This made Gagak Rimang unstable and uncontrollable. Then Gagak Rimang chased the female horse and Arya Jipang didn’t have any choice other than cross Bengawan Solo. When he crossed, Sutawijaya stabbed him with Kyai Pleret’s spear. This wounded Arya Jipang, but he still had enough power to grab Sutawijaya.

“Ho! Arya Jipang, if you are really a knight, take out your Kyai Setan Kober!”

Arya Jipang pulled out his Kyai Setan Kober, but it made him more wounded, after this Arya Jipang was collapsed. The three of them made a false report to Sultan Hadiwijaya, that Arya Jipang was dead.

**Third : resolution.** The crisis is revolved, for better or worse. It shows the end of the story, usually a happy ending.

## RESOLUTION

Actually Arya Jipang was not dead, he's actually still alive. His brother Arya Mataram and Patih Metaun invited him back to Jipang Panola. They run Jipang Panolan together. The people of Jipang Panolan was being told to not tell the truth about the battle. They held that message firmly. Arya Jipang died naturally in old age. His heroism will always be being kept in their heart. And this story will always be remembered by the people of Blora Regency.

every narrative story has a moral value. the moral value of Arya penangsang story:

1. We should be brave
2. We should not take revenge
3. We should be able to control our emotion.
