Definition, Purposes, Generic Structures, Language Features

The diagram illustrates the generic structure of Recount Text using a diary extract. The extract is divided into three main sections: Orientation, Events, and Re-orientation.

Orientation: The first part of the diary extract provides background information about the writer's illness and the school fish stew. This is labeled as "Orientation".

Events: The middle section describes the writer's day at school, including working happily and dealing with homework. This is labeled as "Events".

Re-orientation: The final section is a personal comment from the writer, stating "It was so exhausting!". This is labeled as "Re-orientation".

Annotations:

- Non-fiction texts: Recount:** A title box at the top left.
- The first person is used:** An annotation pointing to the orientation section.
- EVENTS:** An annotation pointing to the events section.
- REORIENTATION:** An annotation pointing to the re-orientation section.
- ORIENTATION:** A label placed over the orientation section.
- Past tense:** A label placed over the events section.

Let's identify it!

My School Holiday at Sanur Beach with My Beloved Family

Last school holiday, I and my family went to Sanur beach in Bali. I was so excited to spend my holiday there. Although it was just two days there, but it was nice refreshment from our daily routine for a while.

On Sunday morning, I and my family had some breakfast together before we went to Sanur beach. We had some tea, milk, and also bread for our breakfast. After finished our breakfast, we went to the market nearby to buy some snacks and drinks. After all the preparation was already set, we were ready to go. The trip was not too long for about 20 kilometers and it took about 2 hours of driving.

After about two hours of driving, finally we arrived at Sanur beach. The beach was so crowded as I was expected. Since it was holiday season, there were a lot of people who spent their holiday there. The air was refreshing and I took a walk to enjoy the scene around. After that, I played with my brother on the white sand. We built a nice sand castle but the waves destroyed and swept it away. So, we gave up building the sand castle and decided to just play with the water. I also didn't forget to take some pictures here with my family. We spent our time for picking the best souvenir until the sunset. I was so excited to see the beautiful sunset there.

Because I and my family were so exhausted that day, we decided to stay at my Grandmother's house in Denpasar. On the next morning, we felt so fresh and went back to home. We enjoyed our holiday at Sanur beach so much.

Definition of Recount Text

Recount text is a text that tells the reader about one story, action or activity. Its goal is to entertain or inform the reader. (sebuah teks yang menceritakan sebuah cerita, aksi ataupun aktifitas. Example of Recount Text

Read text carefully !

Being Late

Last morning, Dinar, my roommate woke up late and she had to go to campus.

When she wanted to take her motorcycle, in fact she couldn't move it because there were some motorcycles that blocked up her motorcycle.

She tried to move all of the motorcycles, so that her motorcycle could move from the garage. But she couldn't do it.

Then, she called Adel who had that motorcycle which blocked it up. After that, her friend who had that motorcycle helped her. Finally, she could move her motorcycle and rode it to go to campus.

A Beautiful Day at Jogja

Last week, my friends and I went to Jogja. We visited many places.

First, we visited Parangtritis beach. The sun shone brightly and the scenery was very beautiful there. We felt the wind blew across to us. We also saw a lot of people in that beach. There were many birds flew in the sky. Also, there were many sellers who sold many kinds of souvenirs. Second, we visited Gembira Loka Zoo. We saw many kinds of animals there such as monkeys, tigers, crocodiles, snakes, etc. We looked around in that Zoo, and also took pictures of those animals. Then, we felt hungry, so we went to a restaurant. As soon as we finished our lunch, we decided to go home.

For me, that was a beautiful day though I could not visit Malioboro. We really enjoyed it, and I hope I could visit Jodja again.

My Vacation to Tanjung Lesung Beach

Last weekend, my family and I went to Tanjung Lesung beach to spend our holiday. It's located in the district of Pandeglang, Banten, western tip of Java Island. We went there with our own car. It took about four hours from Jakarta . We left at half past six in the morning that day.

The route to Tanjung Lesung beach is zigzag and it is very quiet. My family and I almost got lost because it was our first trip to go there. But, eventually we got there safely. We decided to stay in the Tanjung Lesung Private Cottage. It's such a wonderful place to stay. I liked it. It was long weekend but luckily there were not too many visitors there. I took a rest at that night.

Next day, we got up early in the morning so that we could go to the sea shore and enjoy the sunrise. My brother played with white sand with my sister and I took a lot of pictures .I found a beautiful starfish there because there were so many beautiful views .At noon, we had lunch at the Local restaurant. The menu was yummy.

The vacation to Tanjung Lesung beach felt so short, but we were very happy. It was
