A Trip to the Zoo

Yesterday my family went to the zoo to see the elephant and other animal. When we got to the zoo, we went to the shop to buy some food to give to the animals.

After getting the food we went to the nocturnal house where we saw birds and reptiles which only come out at night.

Before lunch we went for a ride on the elephant. It was a thrill to ride it. Dad nearly fell off when he let go of the rope. During lunch we fed some birds in the park. In the afternoon we saw the animals being fed.

When we returned home we were tired but happy because we had so much fun.

Observe the following pictures and arrange them based on the text above!

Watching Movie

My sister and I went to see a film last night. It was an American movie called The Lost Flight. It showed how people can quickly change when they have to look after themselves in the jungle. It was an interesting film about a plane which crashed on a small empty island in the Pacific Ocean.

Although the passengers were safe, nobody knew where the plane had crashed. So the passengers had to learn how to hunt for food in the jungle and how to catch fish from the sea to eat. After a few weeks, the passengers were eating raw fish and meat.

After they had been on the island for two months, three of the men made a boat and sailed away to find help. But their boat sank and they were drowned.

The film ended without saying whether the passengers were rescued or not. But my sister and I enjoyed the film.
