 Chapter / Title : Chapter 2/ LET'S LIVE A HEALTHY LIFE  
 Topic : 1. Usage of to, in order to, in order not to, so, so that  
           2. Agreement and Disagreement  
 Time Allocation : 8 x 40 minutes (4 meeting)

### OBJECTIVE:

Students can apply the use and make texts about the expression of stating the purpose or intention to do something and the expression of agreement and disagreement in suitable context with correct social function, generic structure and language features in oral and written form.

### ACTIVITIES:

#### Opening

Teacher motivates students by giving leading questions to go to the topic and state the objective of the learning of Chapter 2.

#### Session 1-2

1. Through WhatsApp teacher shares a conversation text about stating the purpose or intention to do something. (in the form of Word Document , Power Point, or link)
2. Students comprehend the text and find the meaning in Indonesian.
3. Students identify the bold typed words to state purpose or intention that can be found in the text. They are to, in order to, in order not to, so, and so that.
4. Students make sentences using to, in order to, in order not to, so and so that.
5. Students submit their work to Google forms and teacher evaluates them

#### Session 3-4

6. Through WhatsApp teacher shares some texts about Agreement and Disagreement with a suggestion or idea. (in the form of Word Document ,Power Point, or link)
7. Students comprehend the text and find the meaning in Indonesian.
8. Students identify the agreement and disagreement and their responses.
9. Students make responses to some statements given using agreement and disagreement with a suggestion or idea.
10. Based on the situation given, students make a dialogue about agreement and disagreement and their responses.
11. Students submit their work through Google Forms and teacher evaluates them.

#### Closure

Confirmation, Conclusion, and Reflection.

### ASSESSMENT:

1. Character building: to have a plan in doing something and to appreciate different opinion.
