H. learning Activities

	The first meeting	
Steps	Activities	Time allotment
	Pre-activities	
Opening	 Opening the class by praying to God and greeting to the students in the beginning of the lesson. Checking the attendance list by giving the student form text in WA group/google class as a discipline and honest character. In a video/ voice note, the teacher explains the objectives of the study and what competencies they are about to achieve. 	10
	Main activities	
Simulation	 By given the vocabularies, the students exercise to pronounce and understand the verbs and make a simple sentence. By given the link of youtube channel, the students watch the video about announcement 	15

	https://youtu.be/mQHC6vIweTg	
	 By given the stimulus / trigger question, the students identify the main topic and content of the video. To strengthen the students watch the video <u>https://www.youtube.com/watch?v=bOwpuXzMw3s</u> 	
Statement	 By giving the explanation in the power point, the students analyze what announcement is. Based on discussion, the students find the ideas then they take note and synthesize the social function of the video. By giving the instruction and explanation from the book, the students analyzed in the video by answering the questions: What is the text genre used in the text? How is the genre's structure/generic structure developed? What language elements can be used in the text? 	20
Data Processing	The students do LKPD. <u>https://forms.gle/F68h29NBjX93N5Ze7</u>	40
	Closing	
	 The students are given the conclusion then motivated by the teacher. The students fill feed back : <u>https://forms.gle/aUaWj6yHZiCc5Ayv9</u> The students are asked to grateful of the activities then pray. The teacher gives greeting 	5 minutes
	The second meeting	
Steps	Activities	Time allotment
Opening	 Opening the class by praying to God and greeting to the students in the beginning of the lesson. Checking the attendance list by giving the student form text in WA group/google classroom as a discipline and honest character. In a video/ voice note, the teacher explains the objectives of the 	10
	study and what competencies they are about to achieve.	
Data processing	 Main Activities The students are guided by the teacher to collaburate and communicate with other groups in the class, to share the experience, idea and opinions about the answers discussed in the previous meeting. The students watch analyze the material given in power point by the teacher The students are do and analyze LKPD. 	25
Verification	 The students are guided to choose and make announcement. The students are guided to choose and make announcement text. 	25
Generalization	 The students conclude the materials given. the teacher gives the students a chance to ask the questions they do not know yet. 	20
Closing	 Post activitiy The students are motivated by the teacher. The teacher and the students gratefull by all the lesson given by God then close by praying. 	10
	The third meeting	
Opening	 Opening the class by praying to God and greeting to the students in the beginning of the lesson. Checking the attendance list by giving the student form text in WA group/google class as a discipline and honest character. In a video/ voice note, the teacher explains the objectives of the study and what competencies they are about to achieve. Main Activity 	10
Review and	The students review about the generic structure, language feature of	15
Confirming Exploring	The students do the students' worksheet. The students discuss some other places that can be written in	15

	announcement text.	
Production	The students make read and analyze then present about their	40
	announcement text.	
	The students do evaluation	
	Post activity	
Closing	- The students mention what genre of the text learn.	10
	- The teacher and the students gratefull by all the lesson given by	
	God then close by praying.

ANNOUNCEMENT

An announcement is a statement made to the public or to the media in printed or spoken text which gives information about something that has happened or that will happen.

Announcement is divided into two categories are written text and spoken text. Written text we could find easily in internet, news letter, public place, and public transportation and so on. For spoken text, it should be sound we can hear. We could find in public transportation, hospital, Railway station airoirt and so on.

SOCIAL FUNCTION

The social function or the purpose of the text of announcement is to give and share information about something happened or something will happen.

GENERIC STRUCTURE

Generic structure is stating purpose: stating day, date and time: stating place and informing the sender.

The text structure of announcement text is

• HEADING / TITLE/OPENING

OPENING : in opening part, the writer could say something to the reader including Salutation and greeting.

SALUTATION to the reader is polite way which must to do. The writer could say: dear friend, dear students, to all of my beloved friend and so on.

GREETING

Greeting in heading is important to show polite way to communicate. The writer could say good morning, hello, Happy new year and so on.

OETAIL INFORMATION

In this part, the writer should show, the detail information which will be delivered to the reader. When the writer wants to write the announcement, he should clearly mention the information which can answer the 5W+ 1 H.

What event will be held?

When event did happen?

Where event will be held?

Who are the participants of the event?

(MENTION : WHAT, WHEN, WHERE, WHO)

OCLOSING

Closing statement from the writer will give the information to the reader that the writer will be held the event professionally.

Determiner : Determiners are words which come at the beginning of a noun phrase. They tell us whether the noun phrase is specific or general.

Noun phrase : a noun phrase or nominal phrase which has a noun (or indefinite pronoun) as its head word, or which performs the same grammatical function of such a phrase. Noun phrase often function as verb subjects and objects. As predicative expressions , and as the complements of prepositions. Noun phrases can be embedded inside other.
