I have an idol. My idol is Evan Dimas. He is a football Player from Indonesia. He was Born in Surabaya. His Birthday is on March 13th in 1995. He plays as midfielder in Indonesia National Football Team. In 2013, he successfully led the team to win 2013 AFF U-19 Youth Championship over Vietnam.

About his physical appearance, his height is not too tall for an international football player. He is 173 cm tall. But for most Indonesians, he is fairly tall. His eyebrows are thick. His eyes are round. He has a flat nose. He always cuts his hair short, and he has fair skin. After all, he has a friendly round face. He always shows his wide smile whenever his team win a match.
