

# LESSON PLAN

## PROGRAM GURU PENGGERAK

SCHOOL : YADIKA VOCATIONAL SCHOOL

METHOD : CONTEXTUAL TEACHING LEARNING

GRADE : XII/12

THEME : PROCEDURE TEXT

SUB THEME : "MANUAL PENGGUNAAN TEKNOLOGI DAN TIPS

TIME ALOCATION : 10 MINUTES

### I. LEARNING GOALS

1. After carrying out the learning process using the Contextual Teaching learning model, students can analyze the social function, generic structure and linguistic elements in the procedure text correctly.
2. After carrying out the learning process using the Contextual Teaching Learning model, students can present the procedure text in the form of pictures/videos correctly and acceptably.

### II. LEARNING ACTIVITY

- The teacher explains the activities that will be carried out by students to complete the exercises and assignments according to the material
- Students observe the video about Procedure text on the Youtube link that has been provided through the WA group and ask questions that are not clear through WA chat and Zoom Meeting
- Students independently make procedural texts in the form of pictures or photos and send them through the WA group or collect them to school.
- The teacher provides feedback on the work of students and provides reinforcement.
- The teacher concludes the material and conveys a lesson plan for the next material

### III. CLOSING ACTIVITY

- Make a resume (CREATIVITY) with the guidance of the teacher about important points that appear in learning activities about the material
- Schedule homework for subject matter expressions of giving and asking for information related to identity and family relationships that have just been completed.
- Close prayer

### IV. Learning Assessment

1. Presence Assesment
2. Activity Assessment
3. Knowledge Assessment
