Text recount

One week ago, I and my family went to The Bloom Garden. It is located in Bedugul, not so far from Kebun Raya Eka Karya Bali, Bedugul. It took not more than 1 hour to go to The Bloom Garden. When my father told me that we would visit The Bloom Garden, I was really excited.

We left there by car at 9 am and arrived at 9.50. It was hard to find a place for parking the car because there were lots of visitors. Fortunately, we found a space near the entrance gate. After parking our car, my mom went to buy tickets for us. One ticket was Rp.20.000 . After we got the tickets we entered the garden. OMG, I was really excited. It was really beautiful. Many colorful flowers grew well in that place. It was a good place for taking picture. Unfortunately, it was raining at that time, so we had to stop for a while. When the rain stopped, we continued our journey enjoying the beauty of the garden. We walked through the small path and took many pictures and many videos. I and my family were really happy. We planned to go there again next time.
