I. Rearrange the jumble paragraph below into a good paragraph

Mount Galunggung is a volcano as high as 2,167 meters above sea level, located 17 kilometers from the center of Tasikmalaya City. The mountain, which has Montane Forest and Ericaceous Forest, has several tourist attractions, such as hot springs and lakes in the crater of the mountain, and Curug Agung.

West Java Province has many beautiful tourism object, one of them is Mount Galunggung. Not many people know about the hidden beauty of Mount Galunggung

This waterfall Curug Agung, which is located in the Cipanas area, has a height of 60-70 meters. Visitors can take pictures while enjoying the expanse of green trees. The stones around the waterfall also decorate the waterfall. Uniquely, at night you can see a waterfall that is installed with yellow, green, red, and blue LED lights. It will definitely make you fall in love with the beauty of Mount Galunggung. It is a wonderful place.

The hot springs in Mount galunggung provides two hot pools for adults and children. when soaking you are presented with a view of the pine forest around it. How beautiful isn't it?. This hot pool is believed to cure headaches, insomnia, treat infections, and treat stress etc. For those of you who want to relax for a moment with your family, you can try soaking in this hot pool.

The mountain crater that was formed as a result of this eruption (the top of the mountain was cut off), formed like a dry lake. Seen a puddle of water that is green brown due to the sulfur content. Along the way to the crater, there is a green and shady forest view. Besides that the air is very original and fresh. Before we see the crater we need to pass 620 steps to the top of the mountain. Well, those steps will take you to see the beauty of the crater of Mount Galunggung. In the middle of the crater of Mount Galunggung there is a cluster of small islands. At the top of the island, you can see the flag flying proudly. There is a building near the crater lake also. If the weather is foggy and you don't pay close attention, the building won't be seen. the view of the crater is exotic so it's a shame if you don't take pictures.
