PETUNJUK UMUM

Hello Awesome students!. Good morning. How are things going? I hope everything is great, and you are all excited agaian to follow Home Learning (BDR) today. Pray first before beginning the lesson, then hope we can understand easily today’s lesson, Aamiin! We will do 3 activities as usual today; I am sure that mom, dad, brother, or sister would be happy to help you. Don’t forget to thank them afterwards. Have fun learning. Stay safe and stay home.

KEGIATAN 1

Students, in our last meeting you learnt about how to describe animals in Report Text. In this session we are still going to discuss about animals. We'll talk about a kind of birds, penguins. What do you know about penguins? Let's learn something about these special birds. Watch the video first <https://youtu.be/O8qilxaBR20>
Then do the exercise.

KEGIATAN 2

Ok students. I am sure you've got much information about penguins. Now, please continue with the second activity to see how much you have learned. Click below to start. <https://bit.ly/3iiWE9g>

KEGIATAN 3

In third Activity you will analyze and compare two report texts about animals that live in Indonesia: "Bat" and "Dragonfly". You can find this kind of texts in an animal encyclopedia. Let's read the texts, say the sentences loudly, clearly, and correctly. And then, let's look more closely into the two texts and complete the table of analysis. Please click to start. <https://bit.ly/3oL9TBO>. You can answer in your exercise book. That's all for today, students. Hopefully you've all learned much about report text. We will discuss about other aspects of report text in the next session. Thank you for being so active and enthusiastic in my class. Bye!
