My Brother's Bad Night

It was nine in the evening two days ago, I was on my way to my bedroom after brushing my teeth. As I was passing the living room, I saw my brother, Faris, lying on the floor watching TV. He always did that every night. He refused to go to bed and chose to sleep in front of the television. I decided not to say anything and directly went to bed.

I was half asleep when I heard a scream from the living room. It was about two in the morning. I jumped out of bed and rushed towards the voice. In the living room, I found Faris crying. His right hand was on his right ear. He said, "Help, help, help. It hurts!" Then, he told me that an insect had entered his ear. I was quite sorry for the insect. I figured out it was an ant. I imagined how miserable the ant was. Since Faris couldn't stop crying, I decided to take him to the hospital. Soon after cur arrival, a doctor in charge examined Faris 's ear. He, then, used a pair of pincers to take the insect out. I was so surprised to see the insect. It wasn't an ant. It was a young cockroach! Gosh! It was as big as a baby's little finger.

From then on, Faris never slept in front of the television any more.

I just returned from my holiday in my uncle's house in Malang. During the time, i visited many interesting places, such as Jatim Park 1 and 2, Museum Angkut, Batu Night Spectacular and Mount Bromo. However, the most memorable is my trip to mount Bromo. However, the most memorable is my trip to Mount Bromo. It was the most exotic place i've ever seen.

At that time I went with my uncle's family. We went there by car in the middle of night and arrived at around 3:30 a.m. There were already many people there. They all wore thick jackets, gloves and beanies, so did we. It was so cold that we were going to freeze. Soon, we could adapt to the weather.

Later on we moved to Penanjakan Peak to see the sunrise. Later on we witnessed such a magnificent sunrise. Luckily, the weather was so fine that we all could see that shinning golden ball very clearly. Then, we walked up to the top of Mount Bromo. It was really hard because we had to walk through thick sand desert while it was rather cold. Arriving at the top, it was so amazing! Trust me, you should go there one day. What a wonderful place, it was! Overall my last holiday is the best moment of my life. I wish I have another chance to explore Malang City.
