### Teks Pendek Acak

A long time ago, in a nice quite village, there lived a wealthy merchant, he and his wife lived together with his daughter who was named **Bawang Putih**.

One day, this merchant's wife passed away. "Mom, don't leave me", **Bawang putih** cried. She and her father were very sad.

Her father came home from travelling to refresh his mind, he brought a woman and her daughter along with him. He wanted to marry this woman. At first, the woman and her daughter, **Bawang Merah**, were so kind with **Bawang Putih** and her father.

When her father went to trade, her stepmother and **Bawang Merah** treated **Bawang Putih** like a servant. **Bawang Putih** did all the work that was ordered by her stepmother.

One day, **Bawang Putih** went to the river to wash clothes. She was sleepy and hungry. When she put all the clothes into the basket, she was surprised to find her stepmother's scarf was not there. Finally, **Bawang Putih** decided to go back down the river to look for it. There, she found a wooden house. **Bawang Putih** knocked on the door of the house. The old grandmother came out of the house and greeted **Bawang Putih**.

The old grandmother will give a red scarf with one condition, **Bawang Putih** must help her first. She agreed and helped everything. The grandma gave her the shawl. "**Bawang Putih**, this is the red scarf you are looking for. Oh, I want to give you a gift. A pumpkin is for you. Choose which one you like." On the table, there were both small and large pumpkins. **Bawang Putih** chose a small pumpkin.

Arriving at home, **Bawang Putih** took the knife and split the pumpkin. What a surprise, the pumpkin was full of sparkling and expensive jewelry. The stepmother and **Bawang Putih** grasped all the jewelry.

Then, the stepmother instructed **Bawang Merah** to go to the grandmother's house. Arriving at there, she pretended to be tired. Not like **Bawang Putih**, she was lazy to help the old grandma. Finally, the old grandmother gave her a gift. On the table, there were two pumpkins, one large and one small. "Choose one pumpkin, as a gift from me." **Bawang Merah** chose the largest pumpkin.

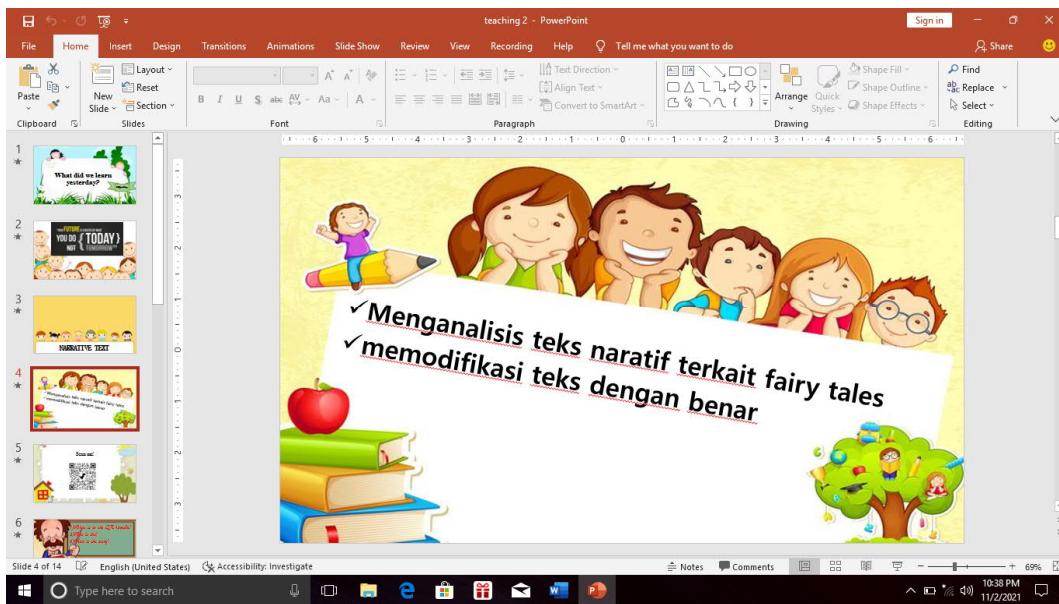

"Yeah, let's open this. I'm also curious.", said her mother. However, they were in for quite a surprise. Because inside the pumpkin were venomous animals, such as snakes, scorpions, spiders and centipedes. They were both bitten by a snake. The stepmother and **Bawang Merah** died from the snakebite.

Not long after that, her father went home from trade. **Bawang Putih** and her father lived happily ever after.

Once upon a time in West Sumatra, a widow took her two children to a party. Her children, a boy and a girl, were very happy. The children were having a great time. There was also a traditional music show. The show was crowded with people. The children asked their mother if they could see the music show which was located a few meters away. "Yes, you both may go there but don't go too far," said the mother. The children ran to the stage where the music show was. They were bored just watching the show. So they took a walk around the stage. They forgot their mother's message not to go too far.

After a while, they saw a pond. The water was very clear and fresh. Because the sun was very hot, they were tempted to play in the water. The mother remembered her two children. She felt so desperate because she could not find them. Day turned into night. The mother only cried and she went home without her children. After a long hour of crying, she fell asleep and had a dream about her children. In her dream, she met an old woman. The old woman told her, "Your children are in the pond near the party house. If you want to see them, throw a handful of rice into the pond. Your children will appear."

As soon as she woke up, she quickly ran to the pond. She also had a handful of rice in her hand. When she reached the pond, she threw the rice into the pond and called out her children's names. Two big fish with beautiful colors appeared in the pond. The mother cried when she saw them. Her children had turned into two big beautiful fish because they disobeyed their mother's message.

The village where the pond was located is now called Desa Sungai Jernih. It is located in the northern part of Nagari Baso, in Agam Regency, West Sumatra.
