❖ Activity One

Please complete the table below based on text “my cousin Yayan Saury” about people’s physical appearance.

My cousin Yayan Saury

Someone I admire is my cousin Yayan Saury. He is five years older than I am. So, he is 19 now and he lives in Bandung. He is very friendly and confident and he has short, straight, black hair and black eyes. He is medium height, well-built and very fit because he is an athlete.

He has been swimming since he was six years old and trains every day at his swimming class. He wants to be a professional swimmer, but it is a very difficult profession because it is so competitive. He often joins in many kinds of competitions. His favorite swim stroke is butterfly which is very difficult stroke to learn. Now, he is good at it.

Yayan is very busy because he also studies photography at university. He is a really good photographer and has taken lots of amazing photos of me and my family. His photos have won a few prizes and last year one of his photos was in an exhibition at an art gallery in Jakarta.

Yayan doesn’t have a lot of free time and he is also trying to learn English because he wants to go to School of the Art Institute of Chicago, United States next year to do a photography course.

I think Yayan is very hard-working and he deserves to become a professional athlete one day.
