LAMPIRAN MATERI

Definition and purpose of Analytical Exposition

Exposition is a text that elaborates the writer's idea about the phenomenon surrounding. Its social function is to persuade the reader that the idea is important matter.

- Purpose of Analytical Exposition Text
 - To analyze the topic and to convince or influence the reader that this opinion is correct and supported by arguments

- To convince the reader that the topics presented was an important topic to be discussed or gained attention by way of providing arguments or opinions that support the main idea or topic

Generic Structure of Analytical Exposition

- Thesis: Introducing the topic and indicating the writer's position
- Argument : Explaining the argument to support the writer's position. The number of arguments may vary, but each argument must be supported by evidence and explanation.
- Reiteration: Restating the writer's position. We can use the following phrase to make conclusion in reiteration :
 - From the fact above ...
 - I personally believe ...
 - Therefore, my conclusion is ...
 - In conclusion ...

Language Features of Analytical Exposition

- Using relational process
- Using internal conjunction
- Using causal conjunction
- Using Simple Present Tense

LAMPIRAN PENILAIAN

The fact that the pandemic corona virus infected more people and invited more victims. People should stay home to ban the pandemic disease, for these reasons.

The first, people should stay home because if they have physical contact, people will be easier infected each other.

The second, people have to stay home so for the people who has been infected can't take the virus to infect others.

The last, staying home make people cure themselves instead of infect the others.

From the reason above, staying at home is the best way to stop this pandemic disease causes more victims.

Answer the questions correctly based on the text
